Lenten Prayer and Reflection - 5:00 - 7:00 PM Wednesdays through March 24

During the season of Lent the Sanctuary will be open from 5-7 PM on the five Wednesday evenings following Ash Wednesday for prayer and reflection. Since repentance and renewal are the touchstones of Lent, we will be offering members a solemn and safe place to be in communion with God. To that end, we ask that you use the southwest entrance to the sanctuary that faces Lancaster Ave. A mask is required to enter and socially distanced places will be marked in the pews. **Mark your calendar from 5-7 pm for the following Wednesdays: March 10 (tonight!), March 17 & March 24.**

“Journey Through Maundy Thursday” A Worship Service of Communion and Stations April 1, 5-7 p.m.

Join us for a worshipful journey through the holy narrative of Maundy Thursday! Arrive in the Wayne Pres parking lot at your designated time on the evening of April 1st. You will be greeted by one of our Maundy Thursday “Shepherds” who will lead your group around to the front courtyard. Your evening will begin with

communion administered safely by one of our pastors in the front courtyard. Your "Shepherd" will then lead your group through the red doors of the sanctuary as you go through a series of stations that tell the story of Maundy Thursday. You will receive a small bag of items inviting further reflection that you may then take home with you. Please wear a face mask and be prepared to observe all social distancing and safety protocols. You can sign up for a time slot with your family by calling Mary Lou (610-688-8700 x212).

Write it Forward

Two beautiful cards have been created for the church and are available for the *Write It Forward* campaign! You will find them in the entryway to the sanctuary during the Wednesday evening Lenten prayer time (5-7pm) or in the vestibule off the back parking lot. Please help yourself to a card to write a note to a member you are thinking about. Interested in participating but not sure how to start? The NYT just published this [article](#) on writing letters of gratitude with great guidance on how to get started. **Everyone** is invited to write letters to offer gratitude and support during these waning days of winter.
