Sunday School for the children has ended for now.

In-person worship registration is open for Sunday. **Please take note of the service time - 9:00 AM**

Due to the recent change in Pennsylvania's Covid-19 restrictions, WPC will be lifting its capacity limits for worship on Sunday starting this week. We do, however, ask that you continue to mask while in the building and for the time being that you continue to register for Sunday mornings. Your registration allows us better space congregants throughout the sanctuary and provides us better contact tracing should the need arise.

As always you can register [online](#) or call Mary Lou Kendus (610-688-8700 x212) if you need help.

Deadline for registering is noon Friday each week. We are grateful for your patience as we move forward.

We also ask that due to our live streaming the service you plan to arrive twenty minutes early as we will start promptly at 9:00 AM. We encourage you to read the details regarding guidelines and procedures on the church [website](#). (This link will take you directly to the information.)

We are hosting another Red Cross Blood Drive **Thursday, June 10 - 9AM - 7PM**

Yes, it is a beautiful summer of family, friends and freedom, unless you end up in the hospital and need blood. We could use your help. We still have slots for 33 good souls to sign up to donate at our upcoming drive.

If you can't donate, would you help us by sharing our blood drive sign up with family, friends and neighbors? We would be so grateful if you would take this step to help us Save Lives. Thank you.

We are pleased to welcome David King, our new pastoral intern for the summer!

David just completed his first year of seminary at Princeton Theological Seminary, and is a graduate of Haverford College, having earned B.A.'s in Philosophy and Religious Studies, with high honors in the latter. His academic interests are wide, ranging from doctrinal theology to ethics and language. Outside of the classroom, he is an avid cyclist, runner, and singer. He loves to read, listen to music, and go for walks. A recent convert to the world of coffee, you can often find him snagging a cup at the local shop,

book in hand. He is also a Choral Scholar here at Wayne Pres, so you may have already seen him singing in worship! Please join us in welcoming David this summer. He started his internship with us on June 1.

One Book, One Church Selection for the Fall

The new book selection is *This Tender Land* by William Kent Krueger. Books will be for sale for \$10 before and after the worship service. Enjoy reading it this summer and meet us at church in September for One Book, One Church events!

Thursday Morning Men's Ministry - 7:00 AM in the Fireside Rm.

Dr. Walter Huddell, Professor of Mathematics; Chair of Department; Engineering Adviser, Eastern University will lead us this month.
