Be a fan of CityLights 100 fans (or funds) by Sunday, July 18!

For over 10 years we have been collecting fans in the summer for Southwest Philadelphia. Many in the Southwest community need fans — members of the community who suffer from COVID-19, asthma or other illnesses, those with young children, pregnant women and senior citizens. If you have fans or air conditioners to donate, you can call the Church Office (610-688-8700) and arrange to drop them off. You may also make a monetary donation of approximately \$30 to cover the cost of a fan. For monetary donations, please make checks payable to *Wayne Presbyterian Church* adding "Fan Collection for CityLights" on the memo line of your check. Or you can [contribute online](#) (check or credit card) and select Directed Gift, then type Fan collection. Donating fans is one small way to put your faith in action.

Volunteer Fair – July 18 and 25 after worship

After worship on Sunday, July 18 and 25, join us under the tent to explore the

ways in which volunteers make everything happen here at church, and how YOU can become involved! Several of our committees are looking for new members, and we hope you'll think about exploring just ONE!

Small commitment – Volunteer once a week, once a month, once a year – whatever you can do!

Big reward – Meet new people, build community, serve others, model compassion and service.

No obligation! Visit committee tables, pick up information, ask questions. No pressure! Information will be available on the website for those who can't join us in person.

A Note from Rev. Katy - New Steering Committee for Hospitality

This past year, I have worked alongside many of you in various ministries focused on fellowship. After much time spent listening and learning, I am moving forward with organizing a new **Steering Committee for Hospitality**. The purpose of this steering committee is to foster the gift of hospitality in the life of our congregation. I will select a small group of individuals who will work with me. In these changing times, we will discern together how to be a welcoming church community and how to empower those in our congregation with a passion and talent for the work of hospitality. The Steering Committee will meet for a limited time, the goal of which is to create a written list of recommendations to present to Session. As I move forward, I seek your support. Stay tuned for updates as we proceed!

Thursday Morning Men's Ministry - 7:00 AM in the Fireside Rm. We will continue meeting through the summer months, kicking off July with Katy and David:

- **David King, Pastoral Intern 2021** will lead on **July 8** with a discussion of Psalm 139 and *Theologies of Surveillance*. David will be back on **July 22** to talk about *Race, Representation, and Resurrection*. David just completed his first year of seminary at Princeton Theological Seminary, and is a graduate of Haverford College, having earned B.A.'s in Philosophy and Religious Studies, with high honors in the latter. Welcome David!
- **Katy Shevel, Associate Pastor for Congregational Life** will lead our discussion on **July 15**. Katy will lead a discussion of some African American readings of Pauline scripture.
