Last Chance to be a fan of CityLights 100 fans (or funds) by Sunday, July 18!

For over 10 years we have been collecting fans in the summer for Southwest Philadelphia. Many in the Southwest community need fans — members of the community who suffer from COVID-19, asthma or other illnesses, those with young children, pregnant women and senior citizens. If you have fans or air conditioners to donate, you can call the Church Office (610-688-8700) and arrange to drop them off. You may also make a monetary donation of approximately \$30 to cover the cost of a fan. For monetary donations, please make checks payable to *Wayne Presbyterian Church* adding "Fan Collection for CityLights" on the memo line of your check. Or you can [contribute online](#) (check or credit card) and select Directed Gift, then type Fan collection. Donating fans is one small way to put your faith in action.

Volunteer Fair – July 18 and 25 after worship

After worship on Sunday, July 18 and 25, join us under the tent to explore the ways in which volunteers make everything happen here at church, and how YOU can become involved! Several of our committees are looking for new members, and we hope you'll think about exploring just ONE!

Small commitment – Volunteer once a week, once a month, once a year – whatever you can do!
Big reward – Meet new people, build community, serve others, model compassion and service.
No obligation! Visit committee tables, pick up information, ask questions. No pressure!
You can learn more or sign up to volunteer at this [link](#).
