Stewardship Campaign 2022

We have seen how the global economy can impact humankind in many positive ways. Whatever wealth we have in this world, needs to be stewarded with the teachings of Christ in mind. Since many people in the world are poor and their conditions of living are poor; how will they ever flourish as God intended? Money and investments play a powerful role within our society. We can keep on using that power to grab and get more, or we can shape our giving and our letting go in ways that help others flourish.

We can't necessarily fix all that is needed but we need to do what we can and then a little more. "Truly I tell you, just as you did it to one of the least of these who are members of my family, you did it to me". (Matthew 25:40)." Doing for the least" is one of the most powerful mandates Jesus has for his followers. And, giving is concrete evidence of our gratitude to God for all the blessings in our lives.

The Stewardship campaign is underway so please give generously on Dedication Sunday, November 7.
