OPPORTUNITIES FOR
INVOLVEMENT

Jesus founded the church as a community to call love out of its members — for God, for others, and for ourselves. As such, Jesus remains our Teacher, teaching us to continue the ministry of love he had for the world: to bring good news to the poor, to proclaim release to the captives and recovery of sight to the blind, to let the oppressed go free, to proclaim the year of the Lord's favor.

In short: the church is a School for Love.

What is this catalog all about?

The idea for this catalog grew out of Session discussions. Casey and our Program Chairs were in the early stages of creating a strategy and roadmap for our future. The goal of Wayne Presbyterian becoming a place where people could come together to listen, learn and lead by example - a safe place to constructively discuss and debate a wide variety of opinions on an equally wide array of topics - was born. We would become a living example of a School for Love.

This initial catalog attempts to enable our members and visitors to see our current variety of opportunities to meet people, help each other, grow in our faith and provide 'back office' support to keep the church vibrant and relevant.

The catalog organizes opportunities for involvement into four key areas: **Meeting People, Helping Others, Grow your Faith** and **Support Functions**.

It is our hope and intent that you will grab a cup of coffee in The Connector Cafe, sit a few minutes to catch up with old and new friends, take a look at all that Wayne Presbyterian has to offer...and become involved. Find an activity that offers what you are looking for. Help us to be the School we envision.
